○ GRASS VALLEY, CALIFORNIA

HOLBROOKE HOTEL

Grass Valley's Holbrooke Hotel is a Golden State staple. Boasting a storied history of 1800s fortune seekers, gamblers, and gunfighters, the vintage-yet-refined property recently completed a multi-year renovation fine-tuning much of the building's original 1862 charm. Just don't call it a comeback—the iconic property has already survived a history of fires and Prohibition. Modernized tweaks to its rustic aesthetic—think original clawfoot bathtubs—have Holbrooke poised to welcome guests with its timeless allure for years to come. holbrooke.com
